There will be ample time for discussion and debate over the course of the two days.

## IBCI Conference 2018

The Irish Building Control Institute is pleased to present the IBCI Building Control Conference, 2018. The Conference will afford an opportunity for those involved in Building Control throughout Ireland to network with their colleagues and receive an update on current developments.

The Conference will be held over two days in the **Inn at Dromoland, Co Clare**. Lunch and refreshments will be provided on both days, with the Conference Dinner on the Wednesday evening. A Trade Exhibition will also be held in conjunction with the Conference.

**The focus of this Conference is on the changes in the Building Control System and the Building Regulations and developments in the past year.**

**Day 1** morning session will include an update on the Building Control legislation/Regulations, on the BCMP and the Building Control Officers perspective.

After lunch the session will commence with short 5 minute slots for the Trade Exhibitors (45 mins max). Next, we hear the private Assigned Certifier Perspective on the Building Control system.

After coffee, the latest developments in Building standards including fire testing and changes to Technical Guidance Document L, Conservation of Fuel and Energy will be discussed. Day 1 concludes with questions and the Soapbox.

**Day 2** commences with a double presentation on Structural Fire Protection including fire resisting partitions etc. and after coffee break concludes with a talk on active systems of fire protection.

After lunch, EI Electronics are offering a site visit to their facilities in nearby Shannon and delegates are asked to book their places on this very valuable tour at the EI Electronics Trade stand on a first come first served basis.

**IBCI CPD Certificates will be available.**
